\*Denotes confidential data relating to individual employers and cannot be released.

This data uses the North American Industrial Classification System ( NAICS) categories (as opposed to Standard Industrial Classification (SIC) categories).

Average weekly wage is derived by dividing gross payroll dollars paid to all employees - both hourly and salaried - by the average number of employees who had earnings; average earnings are then divided by the number of weeks in a pay period to obtain weekly figures. Figures in other columns may not sum accurately due to rounding since all figures represent Annual Averages. Health services include government hospitals. Educational services include state and government institutions.

#### INTRODUCING CURRAHEE CLUB on Lake Hartwell.

Here in the rolling hills of Toccoa, you'll enjoy the advantages of the best golf communities in Georgia - on Lake Lanier, Lake Burton and Lake Oconee. And none of the disadvantages. Here, prices are down to earth. And the atmosphere is casual and relaxed, without pretense.

Currahee Club features gated privacy. An 18-hole championship golf course designed by Jim Fazio. Magnificent golf clubhouse. Swim and tennis club. A restaurant. Planned full-service marina with lakeside café. And a charming general store.

If your idea of a great weekend getaway includes cocktails and dinner at a refined restaurant - but not a blazer and tie - pack your L.L. Beans.

You're going to love Currahee Club, especially if your home is in, say, Atlanta. Or Greenville. Because Currahee Club is only an hour-and-a-half drive from midtown Atlanta and Greenville.

In the Georgia mountains, the air is clean and energizing. And it's so peaceful, the world you left behind will seem light-years away.
